

WEST IVANHOE JUNIOR FOOTBALL CLUB

CORE VALUES

- Fun** Our primary emphasis is to ensure that all junior footballers enjoy being part of the Club and have fun.
- Skill Development** Coaches are expected to conduct training drills and ensure that the game day experience is always focussed on enabling players to continually improve their skill development at a rate that is consistent with their ability.
- Participation & Inclusion** Although football is a competitive game, as a junior football club we place greater emphasis on ensuring that all players are able to participate equally in all aspects of club life. We want players and their families to know that their value to the club is not measured by their athletic ability or skill level. Our aim is to ensure that all players build self-confidence and develop positive relationships with their peers.
- Respect** At all times, all members of our club, players, coaches, administrators, parents and supporters are required to demonstrate respect towards all other members of the club, umpires and opposing teams.
